Third party certification for boilers under Boilers Act 1923

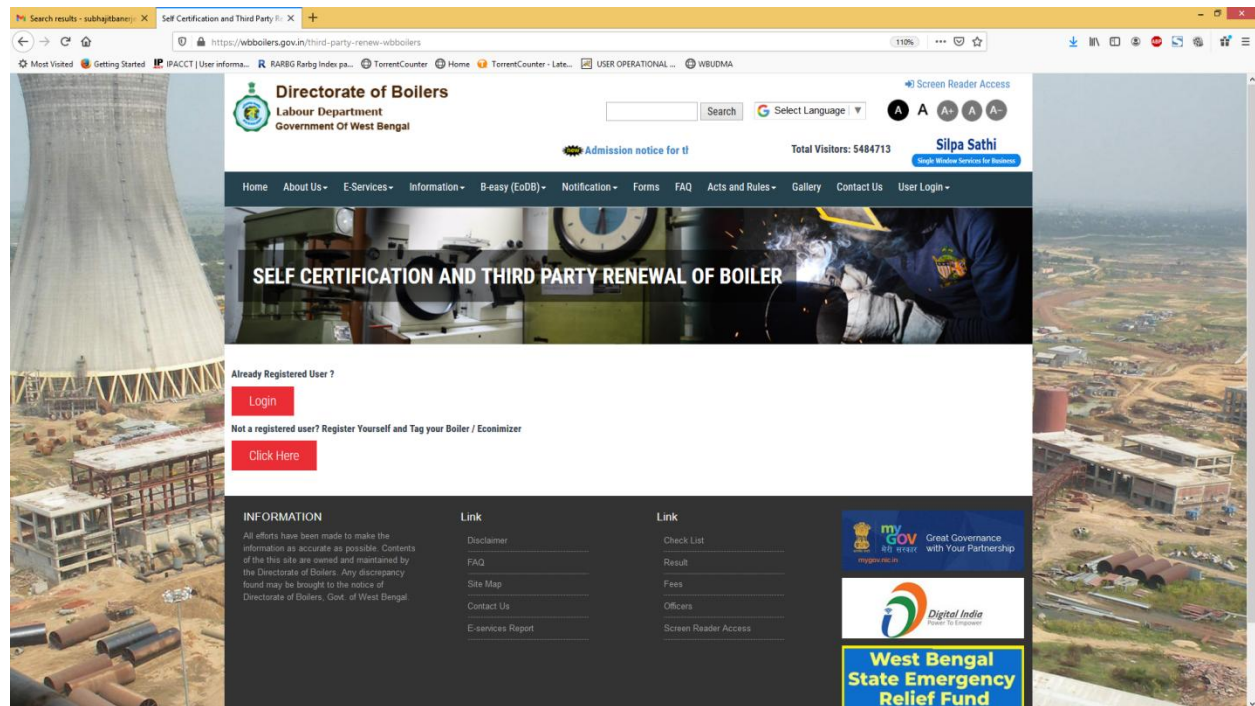

URL :<https://wbboilers.gov.in/>

The screenshot shows the homepage of the Directorate of Boilers, Government of West Bengal. The header includes the logo, name, and contact information. A navigation menu is present with links like Home, About Us, E-Services, Information, B-easy (EoDB), Notification, Forms, FAQ, Acts and Rules, Gallery, Contact Us, and User Login. The main content area features a large banner on the left with the text "BOILER IS SAFE TILL UNDER CONTROL" and a grid of service tiles on the right, including "REGISTRATION / ERECTION DIRECTORATE OF BOILERS", "RENEWAL OF CERTIFICATE DIRECTORATE OF BOILERS", "MANUFACTURING DIRECTORATE OF BOILERS", "EXAMINATION OF DRAWING DIRECTORATE OF BOILERS", "APPROVAL / RENEWAL / ENDORSEMENT OF ERECTOR OR REPAIRER DIRECTORATE OF BOILERS", "APPROVAL / RENEWAL OF MANUFACTURER DIRECTORATE OF BOILERS", "FORM IIIA FOR PIPELINES DIRECTORATE OF BOILERS", and "TRANSFER OF OWNERSHIP DIRECTORATE OF BOILERS". A sidebar on the right contains a search bar, a language selector, and a screen reader access button. The footer includes a notice about COVID-19 and a link to the West Bengal State Emergency Relief Fund.

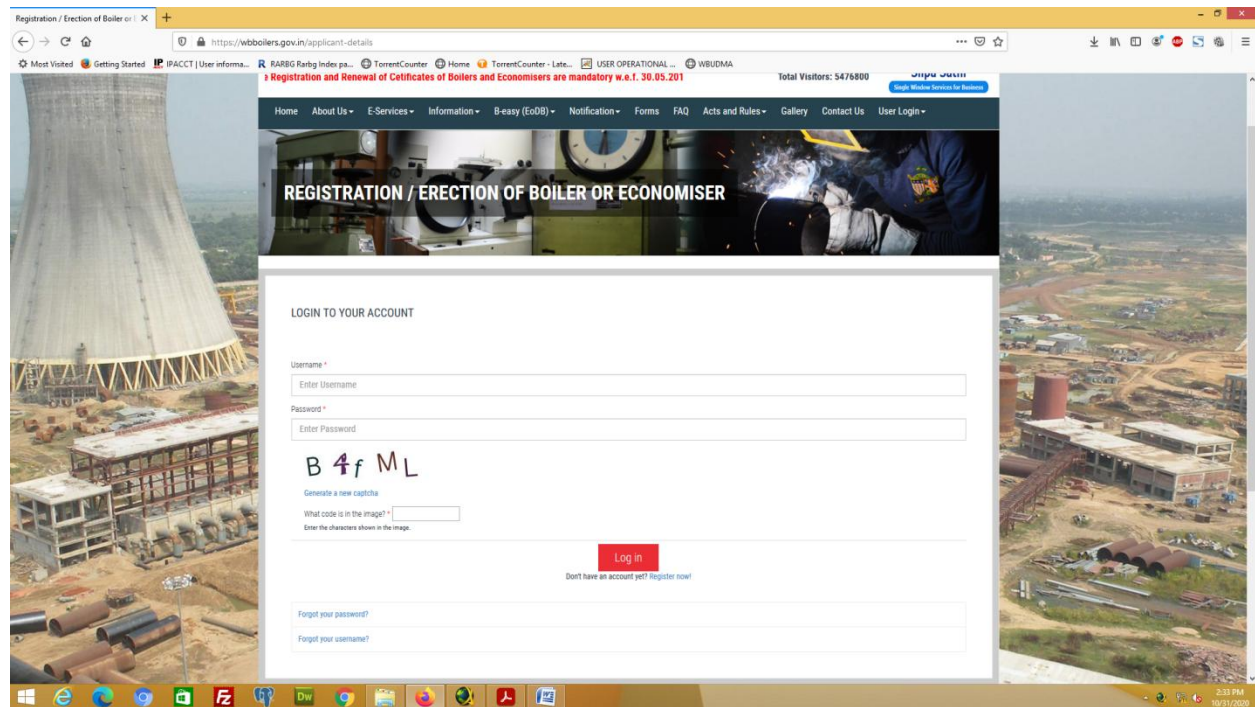

From the menu **E-Services** -> **Self Certification and Third Party Renewal of Boiler** applicant can apply for the Renewal of Boiler / Economiser

This screenshot shows the same website with the "E-Services" menu open. The menu lists various services: "Registration / Erection of Boiler or Economiser", "Renewal of Certificate of Boiler or Economiser", "Self Certification and Third Party Renewal of Boiler", "Approval / Renewal / Endorsement of Erector or Repairer", "Approval / Renewal of Manufacturer", "Form IIIA for Identification Number of Pipe Lines", "Download Final Certificate of Boiler / Economiser", "Download Final Certificate of Erector / Repairer", "Download Final Certificate of Manufacturer", "Know Your Boiler", "Verify Certificate Validity of Boiler / Economiser", "Verify Certificate Validity of Erector / Repairer", and "Verify Certificate Validity of Manufacturer". The main content area remains the same, but the sidebar now includes a search bar, a language selector, and a screen reader access button. The footer also includes a notice about COVID-19 and a link to the West Bengal State Emergency Relief Fund.

Applicant will get option to choose whether a) Already Registered User? b) Not a registered user ?  
Register yourself and Tag your Boiler / Economiser

If the applicant chooses first option then the login page appears.

If the applicant chooses second option then applicant registration page appears.

The screenshot shows the 'Applicant Registration | Boiler' page on the Directorate of Boilers website. The page features a header with the logo, search bar, language selector, and navigation menu. A large banner image displays industrial scenes with the text 'APPLICANT REGISTRATION'. Below the banner, a red button labeled 'Click here to login' is visible. The main section is titled 'Owner's Registration form' and contains several input fields: First Name, Middle Name, Last Name, Designation, Mobile Number, Email, Card Type (a dropdown menu), and Id Card Number. A 'Present Address' field is also present at the bottom of the form.

On successful registration applicant gets a success message and the login credential is mailed to registered mobile number and email id.

This screenshot shows the same 'Applicant Registration | Boiler' page, but with a green success message at the top: 'Registration Successfully.' Below this message is a red button labeled 'Click here to login'. The 'Owner's Registration form' and its fields remain visible below the message.

After successfully registering on the site, Applicant or Owner can login to the site using the login credentials from the applicant-login page.

The screenshot shows the 'Applicant Login' page of the West Bengal Boilers Board website. The page has a header with the title 'Applicant Login | Boiler' and a URL bar showing 'https://wboilers.gov.in/applicant-login'. The main content area is divided into two columns. The left column, titled 'LOGIN TO YOUR ACCOUNT', contains fields for 'Username \*' and 'Password \*', a CAPTCHA image with the text 'Y E a e L', a 'Generate a new captcha' link, and a 'What code is in the image? \*' field. Below these are 'Log in' and 'Don't have an account yet? register now!' links, and links for 'Forgot your password?' and 'Forgot your username?'. The right column, titled 'OTP service is currently down. LOGIN USING REGISTERED MOBILE NO', contains a 'Mobile Number \*' field and a 'Send OTP' button. The background features a large image of a cooling tower on the left and an industrial site on the right.

After successful login user gets option to tag the existing boiler to user dashboard by clicking the “**Add Boiler/Economiser**” menu at left.

The screenshot shows the user dashboard after a successful login. The header includes the 'DIRECTORATE OF BOILERS' logo and the text 'LABOUR DEPARTMENT | GOVT. OF WEST BENGAL'. The left sidebar contains a user profile section with 'EODS TP 2020' and 'user@email.com', and a menu with 'Dashboard', 'Add Boiler/Economiser', and 'Log Out'. The main content area is titled 'DASHBOARD' and includes a welcome message 'Welcome On-Board,' and a breadcrumb 'Dashboard / Dashboard 1'. A notification states: '\*\*You are requested to take print out of the certificates, forms and reports from Google Chrome only.' Below this is a section titled 'ADD YOUR BOILER' with two input fields: 'Boiler Registration No. (Special Character (/,-,@) and Space not allowed) \*' and 'Heating Surface Area: \*'. Both fields have placeholder text 'Enter Boiler Registration Number' and 'Heating Surface Area' respectively. An 'Add Boiler' button is located at the bottom right of this section. The footer shows the URL 'https://wboilers.gov.in/add-your-boiler'.

Applicant has to provide correct combination of “Boiler / Economiser Registration No.” along with corresponding “Heating Surface Area”. Once provided and submitted the system will check whether the combination is correct or not.

The screenshot shows a web browser window with the URL <https://wbboilers.gov.in/add-your-boiler>. The page header includes the Directorate of Boilers logo and navigation links. The left sidebar contains a user profile for 'EODB TP 2020 user@email.com' and menu items: Dashboard, Add Boiler/Economiser, and Log Out. The main content area is titled 'DASHBOARD' and 'Welcome On-Board,'. Below this, a message states: '\*\*You are requested to take print out of the certificates, forms and reports from Google Chrome only.' The 'ADD YOUR BOILER' form is displayed with two input fields: 'Boiler Registration No. (Special Character (/ , - , @ ) and Space not allowed) \*' containing 'WBL7777' and 'Heating Surface Area: \*' containing '50'. A blue 'Add Boiler' button is at the bottom right of the form.

If the provided details are incorrect system will give error message.

This screenshot shows the same dashboard as the previous one, but with an error message displayed. A yellow warning icon is followed by the text: 'Boiler Reg No. Or Heating Surface Area Mismatched!!! Enter Valid Data And Try Again!!!'. Below the error message, the 'ADD YOUR BOILER' form is shown with empty input fields: 'Enter Boiler Registration Number' and 'Heating Surface Area'. The blue 'Add Boiler' button remains at the bottom right of the form.

If the provided details are correct system will tag the boiler in the applicant dashboard and applicant gets a success message.

The screenshot shows the 'DIRECTORATE OF BOILERS' dashboard for a user named 'EODB TP 2020'. A green success message states: 'Boiler Having Reg.No. WBL909 Tagged To Your Dashboard.' Below this, the 'APPLICATION FOR REGISTRATION DETAILS' section displays a table with one entry:

Sl No.	Enrollment No.	Registration No.	Factory Name	View	Status	Certificates	Action	Inspection Status
1	1603488361	WBL909	Test Reg Factory		RENEW	<ul style="list-style-type: none"><li>Form No 1</li><li>Form B No 1</li><li>P.O.</li><li>Final Certificate</li></ul>	Upload Docs	Final Certificate Approval, Date:13-10-2020 <a href="#">INSPECTION DETAILS</a>

Below the table, it says 'Showing 1 To 1 Of 1 Entries'. The 'APPLICATION FOR RENEWAL DETAILS' section below it shows 'No data found.'

Applicant gets the renew button to apply for renewal using third party option. On clicking the “RENEW” button applicant gets the option to choose whether the third party is a) Boiler Engineer or b) Competent Person.

The screenshot shows the 'DIRECTORATE OF BOILERS' dashboard with a 'Back to Dashboard' button at the top. The 'RENEWAL THROUGH THIRD PARTY' section displays the following information:

Factory Name: Test Reg Factory  
Enrollment No: 1603488361

[Submit Selection](#)

On clicking the “**Submit Selection**” button applicant is redirected to a page from where necessary documents are to be uploaded. If applicant select “**Boiler Engineer**” then the following upload documents fields are to be filled up.

The screenshot displays the Directorate of Boilers web portal for a user named 'user@gmail.com'. The main content area is titled 'I) ANNUAL CERTIFICATE FORM BOILER ENGINEER'. It contains four sections for document uploads: 'I) ANNUAL CERTIFICATE FORM BOILER ENGINEER', 'II) B.O.E. CERTIFICATE', 'III) ENGINEERING GRADUATION CERTIFICATE', and 'IV) WORKING EXPERIENCE CERTIFICATE'. Each section has a 'File Information' table with a 'test.pdf (86.15 KB)' file and a 'REMOVE' button. Below each table is an 'Add a new file' section with a 'Browse...' button, a message 'No file selected.', an 'UPLOAD' button, and instructions: 'Files must be less than 75 MB.' and 'Allowed file types: pdf.' A 'Show row weights' link is present at the end of each section. The left sidebar includes a 'Dashboard' link, an 'Add Boiler/Economiser' link, and a 'Log Out' link. The top navigation bar shows the user's profile and the 'Submit Selection' button.

If applicant select “**Competent Person**” then the following upload documents fields are to be filled up.

The screenshot displays the Directorate of Boilers web portal for a user named 'user@gmail.com'. The main content area is titled 'I) FINAL CERTIFICATE OF BOILER ( FORM VI )'. It contains three sections for document uploads: 'I) FINAL CERTIFICATE OF BOILER ( FORM VI )', 'II) COMPETENT PERSONS CERTIFICATE', and 'III) OTHER DOCUMENTS ( IF REQUIRED )'. Each section has a 'File Information' table with a 'test.pdf (86.15 KB)' file and a 'REMOVE' button. Below each table is an 'Add a new file' section with a 'Browse...' button, a message 'No file selected.', an 'UPLOAD' button, and instructions: 'Files must be less than 75 MB.' and 'Allowed file types: pdf.' A 'Show row weights' link is present at the end of each section. The left sidebar includes a 'Dashboard' link, an 'Add Boiler/Economiser' link, and a 'Log Out' link. The top navigation bar shows the user's profile and the 'Submit Selection' button.

On submission of the documents successfully the application is successfully submitted and a new row is added under the “**Application for Renewal Details**” table. The application is successfully posted to the inspector dashboard.

The screenshot shows the Directorate of Boilers dashboard. The left sidebar contains navigation links: Dashboard, Add Boiler/Economiser, and Log Out. The main content area displays a notification: "Boiler upload 6262\_1603488361\_3292 Has Been Created. Renewal Through Third Party Applied Successfully." Below this, there are two tables. The first table, "APPLICATION FOR REGISTRATION DETAILS", shows a single entry for "Test Reg Factory" with status "APPLIED FOR RENEWAL". The second table, "APPLICATION FOR RENEWAL DETAILS", shows a single entry for "Test Reg Factory Renewed by Self Certification" with status "APPLIED". Both tables include columns for SI No., Enrollment No., Registration No., Factory Name, View, Status, Certificates, Action, and Inspection Status. A "VIEW DETAILS" button is visible in the second table.

On clicking the “View Details” button applicant can view the details of the application.

The screenshot shows the "View Details" page for a boiler application. The page title is "View Details | Boiler". The main content area displays a "RENEWAL THROUGH THIRD PARTY" section. It includes a "Back to Dashboard" button and a list of documents to be uploaded: i) Annual Certificate form Boiler Engineer, ii) B.O.E. Certificate, iii) Engineering Graduation Certificate, iv) Working Experience certificate, and v) Other Documents (if required). Each document is accompanied by a "test.pdf" file icon.

In the inspector dashboard the application is displayed under the **“Registration and Renewal Applications of Boiler / Economiser forwarded by Inspectors / Deputy Director / Joint Director”** section with **“PENDING”** status.

The screenshot shows the 'Applications | Boiler' dashboard for the Directorate of Boilers, Labour Department, Govt. of West Bengal. The user is Sri Prabr Chandra Jana. The dashboard displays a table of applications with the following data:
